REPORT OF THE SELECTMEN

The Selectmen submit the following report, believing that it may assist the voters in the appropriations for the ensuing year. The past year has been a critical one, and at present there is no assurance of any better conditions for 1933.

The reserved resources of our citizens have been diminished, homes have been mortgaged to their limits, and worthy people have been unable to pay their taxes.

Taxes must be reduced. The total valuation of Boscawen was decreased \$67,617.00 in 1932, and there will be further depreciation for the year 1933. The uncollected taxes for the years 1925-26-27-28 and 29, amounting to over \$500.00 and carried as assets, have been cancelled.

Our citizens are sacrificing and economizing, and the Town must do the same. Voters must show their interest in the welfare of Boscawen by attending the different Precinct Meetings. The appropriations for Schools, Lighting and Water Precincts, must be REDUCED to the lowest costs compatible with efficiency.

The land for a Community Garden was kindly loaned by Joseph Bassett, proprietor of "Bassett's Eight Acres", furnishing 12 persons 1-8 of an acre each. Two gardens each, were prepared and loaned by Stratton & Co., and Miss Lucy C. Harris. Standing wood for the unemployed was contributed by State Tax Commissioner, Edgar C. Hirst. Mr. Lyle N. Watson, at the State Forestry, was especially considerate in furnishing employment.

We wish to thank the Salvation Army, Red Cross, and Concord Welfare Association for their assistance, also Mrs. Noel, the District Nurse. Much suffering and expense have been eliminated by their help.

Canned goods and vegetables from the Boscawen 4-H Club, 550 bags of flour, Thanksgiving and Christmas dinners

from the Red Cross and Salvation Army, and clothing, donated by private persons, have been distributed.

Never has the number of unemployed been so large. The Town should recognize their spirit of cooperation, and their desire to assist by their labor, in payment for necessary assistance.

We are especially indebted to the District Nurse, and the Penacook Red Cross Committee, for voluntarily assuming the distribution, to Boscawen residents, of cloth received from the Concord Red Cross Chapter.

We recommend the adoption of Milk Licenses. This involves no expense to the Town, and persons selling only their own products of their cows, are exempted from a fee for a license. Boscawen should have the same protection as other towns from any unsanitary milk.

Voters must seriously consider the town's financial condition, and our large increased costs for unemployed. Unnecessary appropriations must be eliminated.

FRED JAMES,
HOWARD L. HOLMES,
GUY H. HUBBARD,
Selectmen of Boscawen.

LIBRARY REPORT

During the period of depression the output of books has steadily increased. The past year the circulation was 1239 more than 1931. A comparison of the books handled five years ago and during the past year will show how much more work is required from our Librarian and her assistant. According to the records the out-put in 1928 was 6360, while this year our total was 18,028. Magazine circulation has also increased, in 1928 it was 155, and in 1932, 834. This year the books were divided as follows: fiction, 11,452; non-fiction, 1608; juvenile fiction, 3250, and juvenile non-fiction 1718.

The Church Reading contest conducted by the New Hampshire Congragational Conference has brought additional readers to the Penacook branch for the last five years. Last year there were over sixty readers in the families of the Penacook Congregational church, of whom about half live in the town of Boscawen, and some of the other half pay to take books from our library. In 1932 about 900 books were read by contestants in Penacook, averaging over fourteen to a reader, and more than two-thirds of these were non-fiction.

At the Penacook Branch there were thirty-five boys and girls registered in the vacation reading club, and forty-eight in Boscawen. There were five story hours at each library with an average attendance of twenty-nine. We wish to express our appreciation to the teachers and all others who helped to make these practical story hours possible.

At the Town Hall an appropriate program was arranged by the Librarian in observance of National Book Week. Moving picture "Trail Mates" was shown, portraying the experiences of an adventurer in Northern Alaska. Following the entertainment, George W. Sumner, Chairman of the Library Trustees, presented certificates, seals, and other awards to twenty-six boys and girls of the vacation reading club.

At the Penacook Branch a Book Week Party was held. Fully 125 people enjoyed the movies furnished by Perley F. Ayer. Cecil P. Grimes assisted by Harry McNeil, were in charge of the pictures. Four reels were shown. Mrs. Alice M. B. Ranney, one of the Trustees, presented certificates, pins, pencils and books to 26 boys and girls who had completed the different grades of required reading.

Different exhibits were shown at the Library during the year. The outstanding one was the George Washington Bi-centennial Exhibit. At this time pictures of Washington, together with books, literature and many implements were on display. We wish to extend thanks to Mr. and Mrs. George Kenevel, Miss Ida Silver and Mrs. Mary K. Colby for the many articles loaned to the Library for this exhibit.

An attractive booth was arranged by the Librarian and her assistant at the Community Fair held under the auspices of Ezekiel Webster Grange.

During the year 236 new books were added. 24 of these were gifts and we express our thanks to the donors: Rev. Daniel MacIntyre, Mrs. Lizzie Gerrish Willard, Jonathan MacIntyre, Boscawen Woman's Club, Rev. O. W. Peterson and Daniel A. Blake, and also to those who have contributed magazines.

When the District Neighborhood meeting was held at Loudon our Librarian, Mrs. Marjorie Emery, arranged the program. This meeting was attended by the Librarian, her assistant, Mrs. Emma Flanders and two of the Trustees, Mrs. Ranney and Mr. Webster.

During the Christmas Holidays two decorated trees were placed in the Library windows. On the Saturday before Christmas a party for the children was held, with 18 present. We wish to thank Jonathan MacIntyre, who gave this time in turning on and off the lights so that the trees could be enjoyed each night for two weeks.
